PROFILE

I'm an ambitious web designer and full stack developer. I generate new ideas and am motivated by working in a creative team, or one-on-one with my clients. My adaptability, perseverance and problem-solving methods have been developed from working in a competitive environment and serving my clients, but also from years of climbing mountains. I translate the valuable skills and lessons I learn in nature to my work environment, which allows me to offer unique and creative approaches to any project or challenge.

WEB DEVELOPMENT EXPERIENCE

General Assembly | **Web Development Immersive** May '18 - Sept '18

Completed a 12-week, full-time program dedicated to web development tools and best practices. Built up a portfolio of in-class, and personal projects focused on real-world applications of web development principles:

- **Renr App** [https://github.com/austynheinlein/unit3_project]: Group Project using MEAN stack to create models and utilizing RESTful routes. My largest role in the group was to develop the wireframes and implement our CSS styling.
- **Oyster Field Notes** [<https://github.com/austynheinlein/unitproject2>]: My first CRUD MEAN stack web app, using the 7 RESTful routes and the ability for the user to create and login to their account.

General Assembly | **HTML, CSS, JavaScript & Design** Nov '16 - March '17

Used HTML, CSS & JavaScript to produce fully responsive, mobile-first, beautifully designed websites.

OTHER EXPERIENCE

Senior Insurance Services | **Independent Broker & Advertising** Jan '09 - Current

Contract with all companies offering Medicare plans in the state of Washington. Teach group classes that educate clients and the public on how Medicare works, and how to shop for and enroll in a suitable plan. Provide year round support, as well as volunteer customer service hours. Create advertisements, web content and marketing materials using Photoshop.

Northwest Yoga Play | **Co-Founder & Instructor** May '15 - July '16

After completing 200 hour Registered Yoga Teacher Training, and Aerial Yoga Teacher Training, created NW Yoga Play with a friend and fellow instructor. Produced marketing materials and ads as well as managed social media presence.

EDUCATION

Wenatchee Valley College | **Liberal Arts** Sept. '08 - Nov -'09

Left school to travel for four months around the world. When I returned, I received my insurance license and started my career.
